CLICKLEARN IS BUILT FOR CHANGE

Updating to a new or modified version of your business system has never been easier.

Hit the Replay button and watch as ClickLearn automatically recollects all screenshots and updates your instructions to reflect all changes.

PUBLISH YOUR LEARNING CONTENT IN AN ENGAGING LEARNING PORTAL

ClickLearn lets you create collections of instructions and assembles them into a beautiful, rich-featured learning portal for your target audiences. Available 24/7 on all devices.

We ensure your success with ClickLearn

No one is left behind – we ensure your team have all the training they need to use ClickLearn to the max

Free Customer care

Our team of Customer Success Managers is ready to guide your team forward. Their objective: Your success

Free support & Training

As a ClickLearn customer you have unlimited free support and training

ClickLearn Community

Become part of the free growing community of helpful ClickLearn authors and users.

PARTNERSHIPS AND AWARDS

"The software is awesome and we would be lost without it. It has paid for itself 10 times over."

Adrian DeMartino
Commercial Manager at Decon Technologies
