Classroom training

ClickLearn Virtual Assistant

Hi, I am the ClickLearn virtual assistant. I deliver instant help live inside the business system.

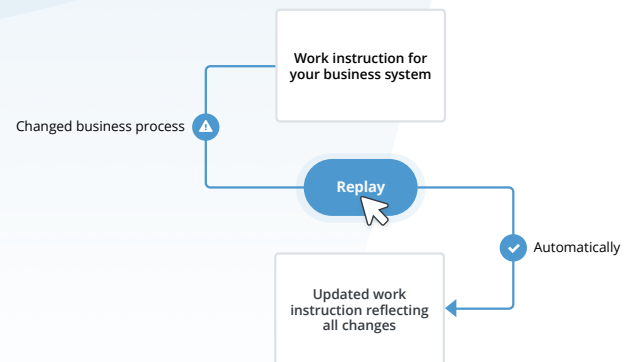

Auto-translate all your learning material at the click of a button

118 languages and dialects. 600+ digital narrators

## CLICKLEARN IS BUILT FOR CHANGE

Updating to a new or modified version of your business system has never been easier.

Hit the Replay button and watch as ClickLearn automatically recollects all screenshots and updates your instructions to reflect all changes.

## PUBLISH YOUR WORK INSTRUCTIONS IN AN ENGAGING LEARNING PORTAL

ClickLearn lets you create collections of work instructions and assembles them into a beautiful, engaging e-learning portal for your target audiences. The learning portal is available on all devices 24/7.

## We ensure your success with ClickLearn

No one is left behind – we ensure your team have all the training they need to use ClickLearn to the max

### Free Customer care

Our team of Customer Success Managers is ready to guide your team forward. Their objective: Your success

### Free support & Training

As a ClickLearn customer you have unlimited free support and training

### ClickLearn Community

Become part of the free growing community of helpful ClickLearn authors and users.

## PARTNERSHIPS AND AWARDS

"The software is awesome and we would be lost without it. It has paid for itself 10 times over."

**Adrian DeMartino**  
Commercial Manager at Decon Technologies
